September 2026 Issue

September is off to a great start!

As I sit here and type this, it is hard to believe we are already 4 weeks into the new school year!
All elementary classes have made several visits to the library and books are flying off the shelf. If you haven't seen your child's library book yet, check their backpack! We have already checked out over 3,000 books so far this school year. Our "New Books" table gets empty quite frequently and students are really enjoying the new titles. And there ar more to come!

We also started our "Reading Road Trip" this week in the library with grades 2-5. Be sure to ask your student what city we visited virtually and what they learned about it. We will be visiting different cities around the U.S. throughout the year, and learning about the history, culture and important sites in these cities.

Our littlest Owls (K5) have been learning about how to take care of their library books and soon will be able to check books out from our library for the first time. Their library books will stay in their classroom for the first few months as they get used to caring for them. We are planning for them to start bringing their library books home sometime between Thanksgiving and Winter Break.

Book Fairies: Did you donate these?

So many families and friends of our school have purchased books of our Amazon Book Fairy wishlist. I have received several packages from the wishlist where there was no name inside the package. I dont know who to thank or whose name to place on the book plate. If you donated any of these, please email me at patricia.barker@sgreencharter.org so I can properly thank you!

Fall Scholastic Book Fair: October 5th-9th. Everything You Need to Know

The Book Fair at GREEN is a special time and students really look forward to visiting the book fair to browse, make wish lists and shop.

We use Scholastic, Inc. as our book fair vendor and they send us a variety of fiction and non-fiction titles that meet the interests of our diverse K-8 population. They even send us books and gift items that appeal to parents and grandparents.

We participate in the Share the Fair program so we round up purchases to the closest dollar and those funds go into a general fund that allow us to purchase items from the book fair for our school library and also help students purchase books who might not otherwise be able to participate.

The easiest way to send funds for your student to shop the book fair is to set up an e-wallet through scholast. Information about this will be shared in classroom newsletters. And step by step instructions on our Book Fair Https://www.scholastic.com/bf/greenchartersimpsonville1 or scan the QR code below.

The book fair will be open each day from 7:30-2:15 pm. Students will preview/shop the book fair during their scheduled library day/time.

The Book Fair would not be possible without volunteers. Our wonderful PTO is coordinating the signups for volunteer spots. An email with a link to sign up to volunteer will be sent out soon.

Parent Volunteer Opportunities in The Owl's Nest

Help us promote reading!
The Owl's Nest is always looking for ways to collaborate with Parent Volunteers to help advance and encourage reading, writing, and research. Work the Book Fairs or become a GuestReader. Create a more concrete connection between what your child is learning in the classroom and your own culture, profession, hobby, or expertise by visiting the school as a Guest Speaker. If you'd like more information or you already know that you'd like to volunteer...

iReady Benchmark Testing 7th & 8th

Our students are preparing to take their iReady Benchmark Assessment. The test will be administered over 2 days during this time frame. This important assessment helps teachers understand each student's progress, identify areas of strength, and determine where additional support may be needed. We encourage students to do their best, take their time, and show what they know. We are proud of their hard work and growth!
